

EPOCH 24V 230AH V2-T ELITE

Machine Information

Condition	New
Brand	Epoch
Category	Batteries

The Epoch 24V 230Ah V2-T Elite LiFePO4 battery combines 5.89kWh of storage with 150A continuous output for marine house banks, RV power systems, and off-grid solar installations. A user-serviceable 300A Class-T fuse is integrated into the 97 lb Group 8D battery, with protected access for maintenance. Native Victron CANBus communication, Bluetooth monitoring, and internal heating make it suited to managed 24V energy systems, while the IP67 enclosure provides waterproof protection. The source lists a 150A maximum charge rate and 4,000+ cycles, backed by an 11-year warranty. This is a deep-cycle storage battery rather than an engine-starting model; installation and charging should follow the model-specific manual.

Configuration

SKU	C24230A-A
Heated	yes
Victron	yes
Bci Group	8D
Ip Rating	IP67
Warranty	11 yr
Width_in	8.5
Bluetooth	yes
Chemistry	LiFePO4 / lithium iron phosphate
Cycle Life	4,000+
Energy Kwh	5.89
Height_in	12
Length_in	20.8
Capacity Ah	230
Weight_lbs	97
Model Number	24V 230Ah V2-T Elite
Terminal Size	M8
Max Output Amps	150
Nominal Voltage	25.6
Peak Output Amps	250A (10 Seconds)

Max Charge Rate Amps	150
Shipping Restriction	supplier_direct_epoch
Charge Temperature Range	0°C to 50°C / 32°F to 122°F, with heating support
Discharge Temperature Range	-20°C to 50°C / -4°F to 122°F
Shipping Restriction Reason	Epoch ships these verified batteries directly to US customers. Shopify must confirm the delivery rate by ZIP; eligible Epoch orders over \$150 ship free.
